As the calendar turns to May, thoughts turn to great spring events, like graduations, kids getting out of school, and Memorial Day weekend, the unofficial start of summer. While Memorial Day is often associated with great festivities such as cookouts, trips to the beach, and fireworks, this month I'd like to focus on the real reason for Memorial Day – those who have served in our nation's armed forces. Technically Memorial Day focuses on those who died in service to our country, and Veterans Day remembers all who served, but many see Memorial Day as a time to remember and thank all who served.

Most people when arriving at the bar association head directly upstairs, perhaps slowing down to say hello to Liz, Kendra or Bridgette, or to hang up a jacket. But did you ever stop to look at some of the plaques that adorn the entrance hallway? Some of those plaques are memorials to Dauphin County attorneys who have served in some of our country's most significant engagements, including the American Revolution, the War of 1812, the Mexican War, World War I and World War II. It is humbling to consider that our organization included such people in its ranks. Even today we have members who have served in the military, and some who continue to serve. Thank you very much for your service to our country.

This month also marks the beginning of our summer volleyball league coordinated by our Young Lawyers Section. While teams have already been formed, please feel free to come out and join us for a beer on a Thursday evening.

Finally, there are two dates to make sure that are on your calendar. Our annual picnic will be Thursday, July 20. We hope to return to the remodeled Allenberry – look for more details soon. Also, registration is now open for our bi-annual bench bar retreat on July 28-30 at the Omni Bedford Springs. I hope to see you there.

Please Note: There are two Wills for Heroes Events:
June 10 – RSVP to Hannah Hannah Suhr (h.r.suhr@gmail.com)

**VOLUNTEER OPPORTUNITY:
ATTORNEYS AND NOTARIES NEEDED
TO HELP OUR FIRST RESPONDERS
AND VETERANS!**

The Wills for Heroes Program and The PBA Military Veteran Affairs Committee seek Attorney Volunteers to participate in an event hosted by The PBA Military Veteran Affairs Committee to provide local First Responders and Veterans with Free Estate Planning Documents.

WHERE: Pennsylvania Bar Institute, 5080 Ritter Road, Mechanicsburg, PA

WHEN: Saturday, June 10, 2017 from 9AM-5PM

WHAT: “Wills for Heroes” is a free service that provides wills, living wills, health care and financial powers of attorneys to first responders or veterans and their spouses, partners, and significant others. At the conclusion of the one-hour appointments with Lawyer Volunteers, first responders leave with a fully executed set of estate documents.

WHY: First responders and Veterans selflessly devote their lives to serving our communities. Despite the inherently dangerous nature of their jobs, an overwhelmingly large number of these individuals – approximately 80-90% -- do not have wills. (This figure is based on experiential data from state and national first responder organizations).

EVENT INFORMATION:

We are seeking 12-15 lawyers, at least 4 notaries, and 8 witnesses (who do not need to be lawyers) for the event. Lawyer volunteers do not need to practice trust and estate law. We will conduct a one-hour refresher course the morning of the event to familiarize Lawyer Volunteers with what they need to know. In addition, we will conduct training on the computer-based program used to generate the estate documents. Lawyers who are well versed in estate planning will be available throughout the event to answer any questions that may arise. The event usually runs from 9AM -5PM with training from 9-11AM. Appointments begin at 11AM. If you previously participated in a Wills for Heroes Event and do not need the training, you should arrive at 10:30AM. Breakfast and lunch will be provided.

About the Wills for Heroes Program

Anthony Hayes, a South Carolina lawyer who wanted to do something meaningful to help the country after the September 11, 2001 terrorist attacks, founded the Wills for Heroes program. He met with South Carolina fire fighters and noted a glaring need for estate planning services.

Daniel McKenna, a Philadelphia-based Ballard Spahr attorney and board member of the Wills for Heroes Foundation initiated the Wills for Heroes program in Pennsylvania. The Pennsylvania Bar Association Young Lawyers Division adopted the Wills for Heroes as one of its statewide service projects in spring 2009. In 2014, the Pennsylvania Bar Association expanded the program to include Veterans.

Each first responder sits with a Lawyer Volunteer to review a questionnaire that the first responder has filled out in advance. The Lawyer Volunteer enters the information into a computer-based program and reviews the documents with the first responder to ensure accuracy. The documents are printed, signed, and notarized.

If you need more information about this program, please go to the Wills for Heroes Foundation web site (<http://www.willsforheroes.org>) or the Young Lawyers Division section of the Pennsylvania Bar Association web site (<http://www.pabar.org/public/yld>). If you are new to Wills for Heroes, you must complete the PBA’s online registration form. Feel free to contact Hannah Suhr, the event coordinator, at h.r.suhr@gmail.com with any questions or to sign up!

Also pictured below with Liz Simcox and Secretary Cortés is Rosalia Natale, widow of the late Hon. Sebastian D. Natale.

To All Members of the Dauphin County Bar Association:

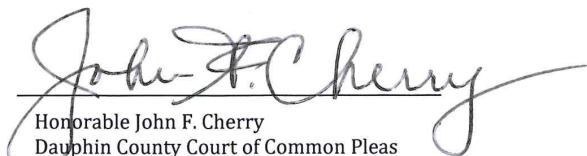

Each year during the month of May, our nation celebrates Law Day. The purpose of Law Day is to educate people of all ages about the American legal system. In its annual Law Day celebration, the American Bar Association hopes to accomplish this goal by encouraging lawyers and judges to visit their local schools and teach students about this year's theme: "The 14th Amendment: Transforming American Democracy".

The Dauphin County Bar Association and the American Bar Association are working together to ensure that lawyers and judges visit each school district in Dauphin County during this year's celebration. Last year we had 30 volunteers visited 66 local classrooms in order to educate our youth about the great freedoms that we, as a nation, are afforded. The Honorable John F. Cherry, Joseph P. Cardinale, Chair, Young Lawyers Section, and I would like to encourage your participation in this year's program so that we can ensure that an attorney or judge will be available to visit each and every classroom that wishes to participate.

If you would like to volunteer, visit the ABA website by copying and pasting the following link: [http://www.americanbar.org/groups/public_education/initiatives awards/law-day.html](http://www.americanbar.org/groups/public_education/initiatives_awards/law-day.html). At this website, you can download a lesson plan. There are links to lesson plans appropriate for students from elementary through high school.

Once it is available, DCBA members will be sent a list of schools and grades. We ask that you make two selections in order of preference and send an email to Kendra at kendra@dcbapa.org to request your preferred classes. She will respond with the appropriate contact information and you will need to contact the teacher directly to set up a mutually convenient date and time for your visit. While Law Day is officially observed on May 1, 2017 the classroom visits can be held at any time in May.

We hope that we can count on your cooperation and involvement in making Law Day 2017 a success! If you would like to acquire more information, visit the Pennsylvania Bar Association website at: <https://www.pabar.org/public/education/lawday/lawdayinformation.asp>

GOT PRO BONO TRAINING?

Many lawyers are interested in taking on pro bono cases to help those in need. However, few private attorneys practice in the areas of poverty law. Thus, the DCBA Pro Bono Program usually offers at least one free CLE each year to encourage members to participate in pro bono programs. For example, earlier this year, we hosted a very-popular CLE for the newly-renamed Hon. Todd A. Hoover Pro Bono Guardian Monitor Program. Last year, our Board Chair Ed Spreha led a CLE on Driver's License Restoration. Often these CLE's are recorded for future use.

In addition, PLI offers FREE CLE programs to assist lawyers providing pro bono legal services. Please take a minute to look at the PLI Pro Bono offerings at http://www.pli.edu/Content/Pro_Bono/_/N-8q and consider signing up for a FREE program or two.

Many of the PLI topics relate to cases pro bono attorneys accept and may assist you in handling a case. Attorneys who have taken advantage of the PLI FREE CLE programs have told us that the programs are high quality and relevant to their practice.

Finally, if you accept a pro bono referral case from MidPenn Legal Services, you will receive a voucher for a FREE one-hour CLE when we receive your Case Closing Form. The Forms help us monitor pro bono outcomes and enable us to brag about hours our generous members donate. The CLE voucher is a small token of our great appreciate for all your pro bono work.

OUR SECOND PRO BONO DRIVER'S LICENSE CLINIC SCHEDULED FOR OCTOBER 23

Last October, our DCBA Board President Edward F. Spreha, Jr led a CLE on Driver's License Restoration followed by a successful Pilot Pro Bono Driver's License Restoration Clinic in December. Because we could find no similar Driver's License clinic projects in Pennsylvania, we had to develop the program from scratch and keep our expectations low.

However, with Ed's leadership and the DCBA members' commitment, the Clinic proved to be very effective. Due to the success of Ed's history-making clinic, we have scheduled our Second Pro Bono Driver's License Clinic to coincide with National Pro Bono Week. The Second Pro Bono Driver's License Clinic will be Monday, October 23 from Noon to 4 PM at PA Capitol Region CareerLink, 100 N. Cameron Street.

The October 23 Clinic will begin with Ed reviewing the law and procedures with roughly 15 pro bono attorneys. Then, after a brief overview of the law with the 30 to 40 attendees, pro bono attorneys will meet

with attendees one-on-one to review the attendee's possible options.

Pursuant to feedback we received from pro bono attorneys at the first Clinic, we recruited more expert attorneys to help Ed and MidPenn Legal Services Managing Attorney Nick Matash supervise the pro bono attorneys. Thus, David E. Hershey, Douglas Marsico, Barbara A. Darkes, and Philip L. Zulli will also help the pro bono attorneys during the clinic. A video of the 1-hour CLE is also available.

As in many of our special pro bono projects, attorneys have NO ongoing responsibilities after the clinic, unless the attorney wants to take a pro bono case. Malpractice insurance is provided through MidPenn. Please contact Sandy Ballard (232-7536 ext 7 or sandy@dcbpa.org) for more information or to sign up for our second Pro Bono Driver's License Clinic on October 23.
